PRESIDENTS MESSAGE:

It has been an honor to be of service to you this past year. It has been my desire and hope that your lives both professionally and personally were enriched by your involvement with ASHRAE.

There are so many people to thank for all that they have done to make our chapter function. We all sincerely appreciate them for their service.

This year we have seen an increase in our attendance. We have moved our meeting location with great acceptance. We have several new faces looking for places to help.

Next year promises to continue these trends.

Earl M Keith

Please feel free to contact me at any time. (931) 526-6151 earl.keith@mail.ashrae.org

Research Promotion

ASHRAE sponsors research that has benefited all of us in our profession. Individual donors of the like of you and I contribute the majority of the money for this work. Please do not feel that a \$10 or \$20 contribution is insignificant. It is time to get your contributions in for this year's ASHRAE's research promotion drive.

Contact Mike Saunders or any BOG member about contributions and information. msaunders@LeeCompany.com

New meeting location for Next Year!!!!!!!!!!!!!!!!!!!!!!

The moment we have been waiting for is finally here. Our help in funding the new Engineering center at the Cumberland Science Museum gives us access to facilities there for meetings and offices. We will have a permanent address. The facility is expected to be ready for occupancy some time in June/July; therefore, we are scheduled for our chapter meetings there starting in September. We are still in the process of coordinating times/dates with all of the other organizations using the space, and foodservice contracts are in negotiations.

So plan on being there starting in September.

Society Regional Student Awards!!!!

We students at Tennessee Tech University who have qualified for Scholarships and Grants.

Mark Spence of Parrottsville, Tennessee was awarded the *first* Society's Donald E Nichols Scholarship in the amount of \$3000.00 to pursue a degree in Electrical Engineering.

Tennessee Tech has successfully applied for an Undergraduate Senior Project Grant for a project titled *Design of a UV Light Chamber for Destruction of Airborne Fungi Spores*. \$5000.00 in funding was approved.

Life Members

Congratulations to three of our number who served ASHRAE with dedication and honor.

James H Bennett - William E Jordan - William A Peck

Annual Golf Tournament

Our tournament is currently scheduled this year at Harpeth Hills for Friday May 10 . Cost per foursome is \$400.00. Get your registration in to David as soon as possible. Registration forms will be available on our website @ <http://www.ashraenashville.org/>

Please remember that all proceeds are divided equally between the Chapter Research Promotion Contribution and Student Scholarship Endowment.

Nashville Sounds - Outing

Everyone who attended our outing last year at the Sounds game had a wonderful time. We are planning another one for this spring. Please contact Andrea Gilchrest (andrea.c.gilchrist@jci.com) if you can help.

UpcomingCRC - Knoxville, Tennessee Sept 2002.

Our CRC is being hosted by the East Tennessee chapter this year in Knoxville. This is a time where your leadership recaps the past year, conducts our business as a region, and plans for next year. I encourage anyone who can to attend at least one of these conferences. Your understanding of what ASHAE is all about will be greatly enhanced.

Contact Earl M Keith (earl.keith@mail.ashrae.org).

Upcoming Kitchen Ventilation Training.

United Cities Gas and Captive Air are sponsoring a couple of workshops concerning Gas Foodservice Equipment. There is a \$75\$ cost per seminar and 5 PDH will be available for each.

June 15th : "Clearing the Air and Reducing Hood Expense by Design" - This workshop will present some new and improved kitchen ventilation concepts designed to improve air quality and reduce costs.
